

PARENT HEALTH AMBASSADOR

Join the Parent Health Ambassador Program today!

Help improve the health climate at **Toney Elementary School**.

Get Involved

Parents/guardians play an important role in ensuring their child's school provides an environment that supports healthy eating and physical activity. You are invited to participate in three interactive training sessions that will prepare you to partner with your child's school.

Program Goals

To educate parents/guardians on school health policy, child health and wellness, and leadership skills using a train-the-trainer model. This program will provide you with the skills needed to become a change agent in your child's school.

Register

Session dates are **March 26, 27, and 29, 2018**.

To register, go to <https://tinyurl.com/yd36jm2m>
